

# Honeycomb

Solve the problems. If the answer has a remainder between 1 and 4, color the shape black. If the answer has a remainder between 5 and 8, color the shape red. Finish the design by coloring the other shapes with the colors of your choice.

$14 \div 6$	$15 \div 9$	$86 \div 7$	$41 \div 6$	$37 \div 6$	$33 \div 9$
