

Funny Flowers

To find the funny flower punch line, solve the problems below. Read the clues. Substitute the numbers for the letters, and add, subtract, multiply, or divide. Then change the number to a letter. The letters in the last column will spell out the punch line to the joke.

Number Codes							
10	3	11	5	9	7	2	8
E	I	L	N	O	S	T	V

What did the daisies protest against?

Clues	Number	Letter
1. Subtract I from L.	$11 - 3 = 8$	$8 = V$
2. Divide O by I.		
3. Multiply I by I.		
4. The greatest number		
5. Multiply N by T.		
6. Divide E by N.		
7. Subtract T from O.		
8. Add S and T.		
9. Subtract I from V.		
10. Subtract O from L.		
11. Add I and N.		

THINK ABOUT IT!

Can you guess the punch line before you solve all the clues?
