

Workshop 2**Gather Information From Interviews**

What do you want to learn from an interview? Write one or more questions for each of the topics below. The first two have been done for you. Then put the questions in order of which ones you most want answered.

Sports	<i>What sports did you play in your native country? Do you get to play the same sports here in America?</i>
Career	<i>What type of job did you have before you moved here? What do you do here in America?</i>
