

Workshop 1**Gather Information From Interviews**

What do you want to learn from an interview? Write one or more questions for each of the topics below. The first two have been done for you. Then put the questions in order of which ones you most want answered.

Life Before the Hardship	<i>What activities did you enjoy before you were injured? Which ones are you able or unable to do now?</i>
School/Job	<i>How did your injury affect your ability to go to school or go to work?</i>
Difficult Times	
Rewarding Times	
The Future
