

Lesson 17

Latin Roots

The root *aud* comes from a Latin word that means “to hear.” Read the definitions below. Then write a word that begins with *aud* to go with each definition.

Many Latin roots serve as foundations for families of words. For example, the root *vis* comes from a Latin word that means “to see.” The words *vision*, *visit*, and *visible* all relate to seeing.

audition	auditorium
audio	audience

1. people who are gathered to hear something such as music _____
2. the sound on a TV or other equipment _____
3. a tryout to hear an actor or singer _____
4. a large room for listening to concerts, speakers, or plays _____

Write two other words in the *aud* word family and their definitions. Use the dictionary to check your words.

5. _____
6. _____
