

Lesson 27**Commas in a Series**

Look for a series of items in each sentence.
Add commas where needed.

Commas are used to separate three or more items in a series: *We ate plums, peaches, and grapes.*

1. We will need paper markers and scissors to make it.
2. Do you want to use tape glue paper clips or staples to attach it?
3. While I was on vacation, I mailed a letter a package and three postcards.
4. She likes to write poetry paint pictures ride her bike and take long walks.

Rewrite each sentence on the line below. Add commas where needed.

5. He has an apple a sandwich a bag of chips and two cookies in his lunch.

6. It rained snowed and hailed yesterday.

7. The photographs show tall buildings store windows and the subway.

8. Will you make a puzzle read a book or watch TV?

Write a sentence that includes a series of items. Use commas to separate them.
