

Date: _____

Dear Families,

We're discussing the holiday of Thanksgiving by looking at our own family pilgrimages to The United States. Most of our families, except for the Native Americans, are immigrants in this country. For some families, one may need to look at ancestors from a long time ago.

Please help your child to interview you about your family history. Please return this tomorrow.

Name of Student: _____

Which country or countries did my family/ancestors emigrate from?

How did they come to the United States?
(Boat, train, car, walking, train, other)

Thank you,
