

6 screeching bats, heading out into the sky. How many wings will flit and flutter by?

3 little ghosts each gobble up 6 sweets. All the ghosts together eat how many treats?

4 Jack-o'-Lanterns, each shining with 6 teeth. How many chompers can we see from the street?

3 spiders in a web spin themselves to sleep. When they awaken, how many legs will start to creep?

MYSTERY MANSION

5 black cats are yowling at the moon. How many furry legs are dancing to the tune?

4 three-eyed monsters, peering out the door. How many eyes glow as they begin to roar?

2 trick-or-treaters, stirring up some stew. How many hands together cook the brew?
