

A Guide to Using Multiplatform Books in the Classroom

ACTIVITY: Engaging Writing Prompts

From The 39 Clues:

Dan and Amy must choose between wealth and power in The 39 Clues. If you had your choice of one million dollars OR the opportunity of becoming the most powerful family in history, what would you choose?

From Infinity Ring:

Sera and Dak suddenly have the ability to travel through time with the Infinity Ring. If you had the ability to time travel back in history and interfere with a major (or minor) historical event, where and when would you travel to? What role would you like to play in the event?

From Spirit Animals:

The four characters in Spirit Animals each have a unique bond with a wild creature. What animal do you think would be your “spirit animal”? Why do you think this animal represents you the best? What features or traits do you have in common with this animal? What are your differences?

From TombQuest:

Alex and Ren are surprised when the Lost Spells start to “awaken” the dead. If you had the ability to resurrect someone from the grave, who would it be, and why?
