**Attached you will find the five challenge questions that will be used in the live webcast event. The questions will also appear on screen, but since many of the questions have multiple steps, it will be easier for your students to participate if they have these worksheets in front of them.**

**There are five reproducible sheets attached, one for each challenge question. Please make enough copies for all students participating. But please do not pass these out until the webcast begins!**

**Thank you again and we'll see you on the hunt!**
