

# TOMBQUEST™

## Create Your Own Amulet!

In TombQuest, Alex uses his mother's scarab amulet to help him out of dangerous situations. In ancient Egypt, amulets were believed to have powerful abilities. Some were worn for strength, others for protection. They came in all shapes, such as fish or hearts or flying beetles. The shape, color, and material determined the type of magic.

Here's your chance to design your own amulet! Will it take the shape of an animal or something else important to you? What power will your amulet provide you in the afterlife? Choose the color, shape, and material. Decorate it any way you like.
