

End-of-Support Announcement: WiggleWorks Classic Standalone 1.0.X – 2.1, WiggleWorks Classic Network 2.0 – 3.1, WiggleWorks Plus Net 1.0.X – 3.1, WiggleWorks Guided Reading Standalone 1.0 and WiggleWorks Guided Reading Network 1.0, WiggleWorks Español Network 1.0, and WiggleWorks Español Standalone 1.0 – 2.1.

On February 29, 2008, in accordance with the Software Life Cycle Policy, we will discontinue support for WiggleWorks Classic Standalone 2.1 and earlier, WiggleWorks Classic Network 3.1 and earlier, WiggleWorks Plus Net 3.1 and earlier, WiggleWorks Guided Reading Standalone 1.0, WiggleWorks Guided Reading Network 1.0, WiggleWorks Español Network 1.0, and WiggleWorks Español Standalone 2.1 and earlier on all hardware and operating system platforms.

In February of 2008, we will be releasing a new network edition of WiggleWorks which will replace all of the editions listed above. The new WiggleWorks Network Edition will support both Windows and Macintosh platforms and will also run on Windows Vista and Macintosh OS X.

Scholastic customers who are still running legacy versions of WiggleWorks and would like support will need to purchase the new Wiggle Works Network Edition to receive ongoing support. The new Wiggle Works Network Edition is a paid version release and will be available in February 2008 through Scholastic Customer Service. To order, please call 1-800-SCHOLASTIC. For more information, please visit www.scholastic.com/wiggleworks.
