

## CLAUDIA'S PAPER MASKS

How about a little fun in disguise? For this activity you will need crayons, rounded scissors, a paper plate, and a garbage bag to collect scraps.

**STEP 1:** Get out your paper plate.

**STEP 2:** Let your sitting-charge decorate the front of the bag, keeping in mind where their eyes will be.

**STEP 3:** Remove eyeholes with the rounded scissors.

**STEP 4:** Wear your new mask! It can look funny, scary, or even a little bit of both. Whatever way it looks, your sitting-charge will have a blast!
