

CHASING VERMEER

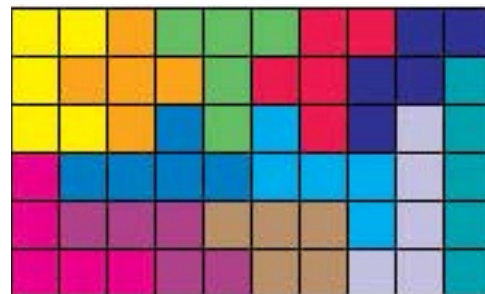

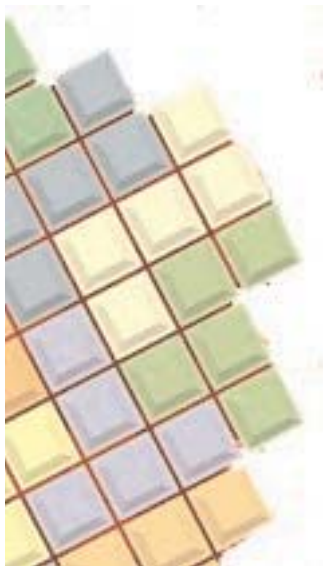

Printable Pentominoes

Instructions:

- 1) Print the following pages
- 2) Cut out each puzzle piece
- 3) Play!

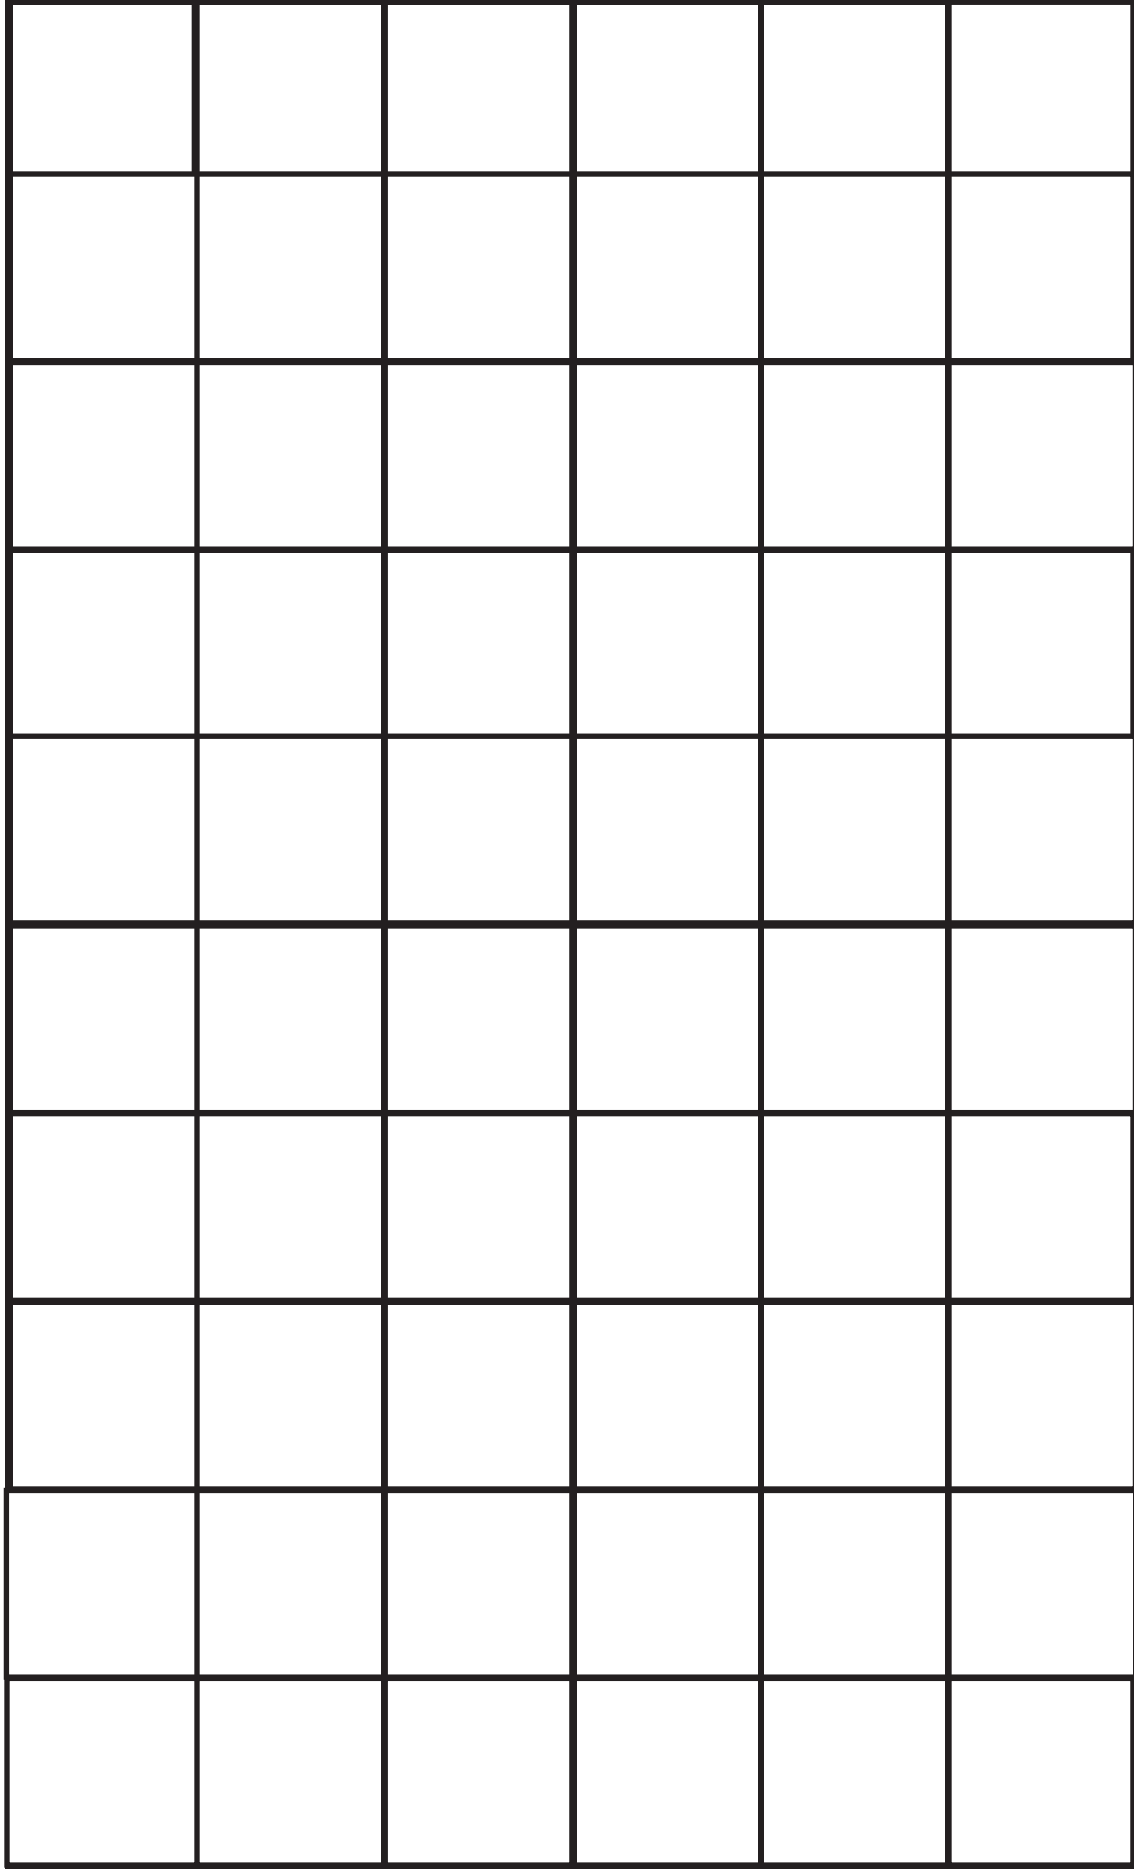

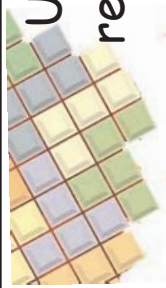

Hints

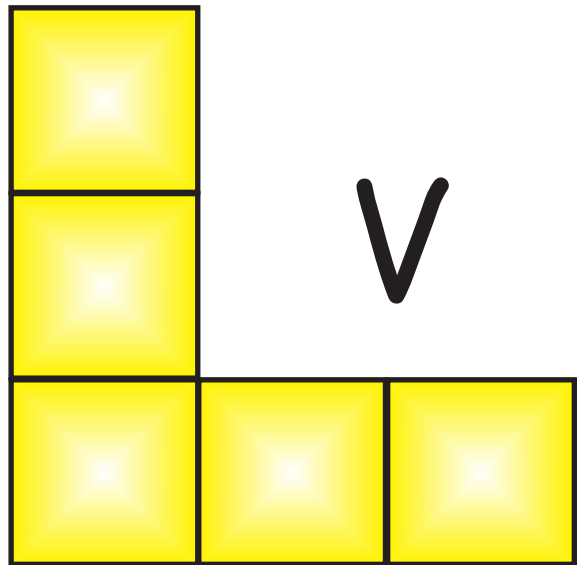

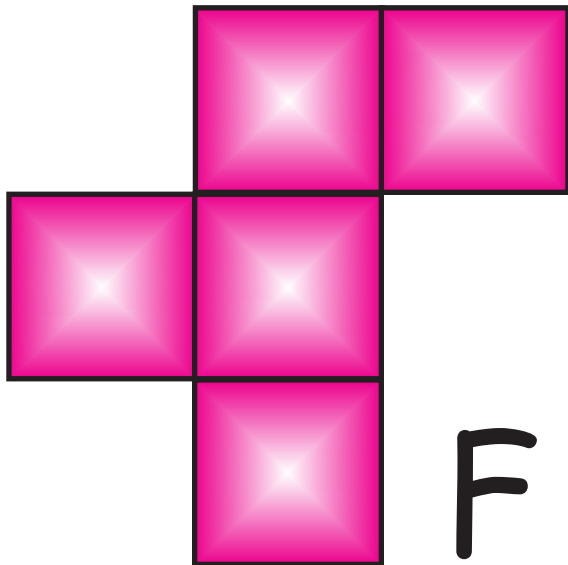

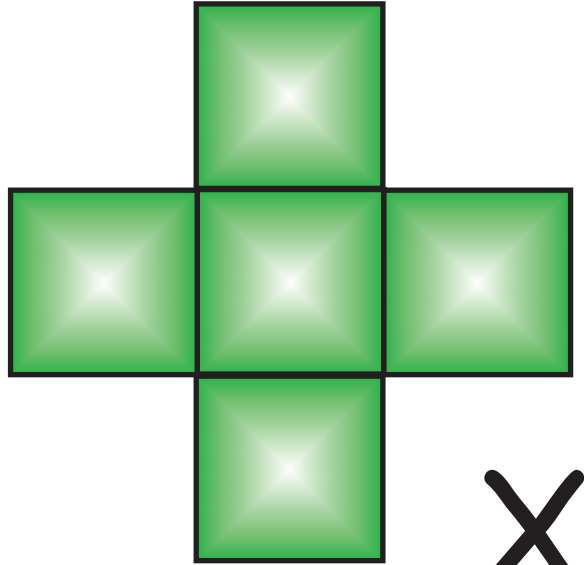

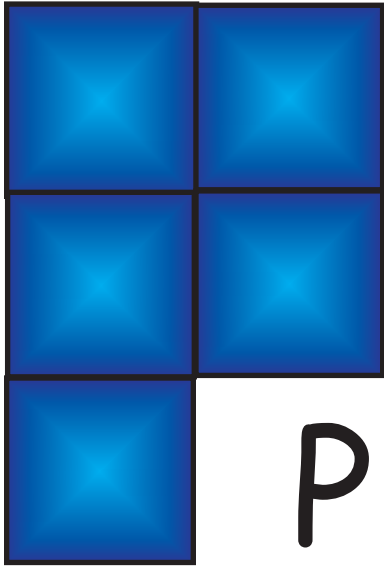

- ✗ There are thousands of ways to solve the puzzle
- ✗ You don't have to use all of the puzzle pieces, you can use some pieces to make a small rectangle, or all of them to make a big rectangle
- ✗ You can flip and rotate the pieces as much as you want

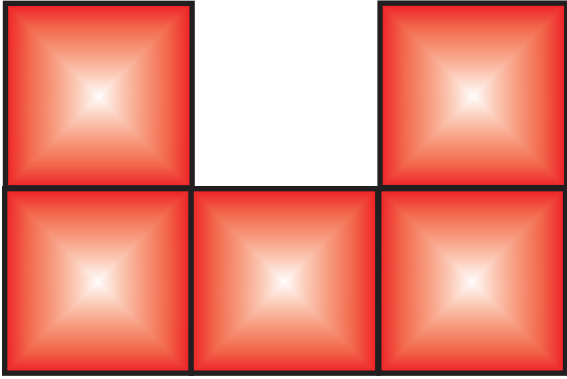

This is just one of the many possible solutions to the puzzle

Use this grid to help you create some of the thousands of different rectangles of many shapes and sizes you can create with pentominoes!
