

Mice on wheels

Scrambled Word Game

Grandfather William Shortpaws gets his directions all mixed up on the drive to Ratzikistan—but luckily, he has Geronimo to straighten him out. You, on the other paw (er, hand), are on your own in straightening out the mixed-up words below (hint: all are listed at the bottom of the page—plus a few extra). When you're finished, use the numbers to read the secret message.
