THE (REALLY) GREAT OUTDOORS

Nature Space Design Rubric

The rubric below describes a successful project. Plan for success by referring to it throughout your creative process as you **outline, write and/or draw**, and **edit** your work. Your teacher may also use this sheet to grade your work.

CRITERIA What does a successful nature space design look like?	Possible Points	Points Earned
1. Effectiveness <ul style="list-style-type: none"> How well does the design focus on specific issues and on benefits to the community that the nature space will serve? 	25	
2. Innovation <ul style="list-style-type: none"> How well does the design include creative, original elements? 	25	
3. Personal Connection <ul style="list-style-type: none"> How well does the design explain why the nature space is important to the student? 	25	
4. Presentation <ul style="list-style-type: none"> Is the design neat, organized, and clearly written (and/or drawn)? Accurate spelling, grammar, and punctuation will be considered. 	25	
TOTAL POINTS	100
