SAVE RESPONSIBLY

Becky loves to add to her collection of Pretty Princess figurines. In the short term she's saving up to buy a new figurine. What are you saving for in the short term?

WORRRD UP!

Short-term goals can be accomplished in a few days or weeks.

Long-term goals can be accomplished in a few months or years.

Becky's favorite show is *The Pretty Princess and Magic Pony Power Hour*. In the newspaper she read that the live stage show is coming to town in six months! So her long-term goal is to buy tickets for her whole family. What are you saving your money for in the long term?

On separate paper, illustrate what you're saving your money for, or find pictures from magazines or the Internet.
