# SHARE GENEROUSLY

Eileen isn't very good at sharing. When she yells, "Mine, mine, MINE!" she transforms into The Birthday Girl and wreaks havoc on the city. When WordGirl swoops in to save the day she reminds her about the importance of sharing with others. Just one small act of generosity shrinks The Birthday Girl back to her normal size. Who would you like to share your money with?

On separate paper, draw a picture of how you'd like to share your money, or find pictures from magazines or the Internet.

### WORDGIRL TIP:

Remember, you can share your money, your time, and your talents!
