The Learnerer says that he will divvy up the money with Amazing Rope Guy when they go on a crime spree. But neither of them gets away with it because WordGirl saves the day! Who would you like to divvy up, or share, your money with?

Why do you want to share it with those people or charities?

How can you share your time and talents with those people and charities?

WORRRD UP!

- ★ **Divvy up** means divide or share.
- ★ A **charity** means an organization or group that somehow wants to help the public good.

On separate paper, illustrate how you'd like to share your money, or find pictures from magazines or the Internet.
