

NAME: _____

SUPERHEROES PLAN

Worrdd up! WordGirl uses her super strength, super hearing, and super vocabulary to save the day! How will you use your resources to help you succeed? Answer the questions below to get started.

- 1 What resources can you use to help you succeed besides money?

- 2 How can saving help you succeed?

- 3 How can sharing your resources help you succeed as an individual?

- 4 How can you spend the resources you have now to help you succeed? How will you spend your resources in the future? (Remember to include your time and talents.)

WORDGIRL TIP

A **resource** is anything that you use to help yourself succeed in life. Your time, money, and talents are all resources. Your friends and family are resources, too.
