

NAME: _____

SHARING WITH OTHERS

- 1** By fighting crime one word at a time, WordGirl shares her special abilities and helps her community. What are your special abilities?

- 2** How can you use your abilities to help your friends and family?

- 3** How can you use your abilities to help your community?

WORDGIRL TIP

Money isn't the only way to share with the causes you care about! You can also give your time and talents. If you play an instrument, for example, you could hold a concert at a nursing home or a hospital.
