

Detailed Cursive Stroke Descriptions

Touch the midline; **downcurve** to the baseline; **undercurve** to the midline. **Slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **undercurve** to the headline; **loop back**; **slant** to the baseline; **undercurve** to the midline. **Checkstroke**.

Touch just below the midline; **downcurve** to the baseline; **undercurve** to the midline.

Touch the midline; **downcurve** to the baseline; **undercurve** to the headline. **Slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **undercurve** to the midline; **loop back**; **slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **undercurve** to the headline; **loop back**; **slant** to the descender line; **loop forward** to the baseline. **Undercurve** to the midline.

Touch the midline; **downcurve** to the baseline; **undercurve** to the midline. **Slant** to the descender line; **loop back** to the baseline; **overcurve** to the midline.

Touch the baseline; **undercurve** to the headline; **loop back**; **slant** to the baseline. **Overcurve** to the midline; **slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **undercurve** to the midline. **Slant** to the baseline; **undercurve** to the midline. **Lift**. Touch halfway between the midline and the headline; **dot**.

Touch the baseline; **undercurve** to the midline. **Slant** to the descender line; **loop back** to the baseline; **overcurve** to the midline. **Lift**. Touch halfway between the midline and the headline; **dot**.

Touch the baseline; **undercurve** to the headline; **loop back**; **slant** to the baseline. **Overcurve** to the midline; **curve forward** and then **curve under**. **Slant right** to the baseline; **undercurve** to the midline.

Touch the baseline; **undercurve** to the headline; **loop back**; **slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **overcurve** to the midline; **slant** to the baseline. **Overcurve** to the midline; **slant** to the baseline. **Overcurve** to the midline; **slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **overcurve** to the midline; **slant** to the baseline. **Overcurve** to the midline; **slant** to the baseline; **undercurve** to the midline.

Touch the midline; **downcurve** to the baseline; **undercurve** to the midline. **Checkstroke**.

Touch the baseline; **undercurve** to the midline. **Slant** to the descender line; **loop back** to the baseline; **overcurve** to the midline; **curve back** to the baseline. **Undercurve** to the midline.

Touch the midline; **downcurve** to the baseline; **undercurve** to the midline. **Slant** to the descender line; **loop forward** to the baseline. **Undercurve** to the midline.

Touch the baseline; **undercurve** to the midline. **Slant right** a little. **Slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **undercurve** to the midline. **Curve down** to the baseline **and back**. **Undercurve** to the midline.

Touch the baseline; **undercurve** to the headline. **Slant** to the baseline; **undercurve** to the midline. **Lift**. Touch just above the midline; **slide right**.

Touch the baseline; **undercurve** to the midline. **Slant** to the baseline; **undercurve** to the midline. **Slant** to the baseline; **undercurve** to the midline.

Touch the baseline; **overcurve** to the midline; **slant** to the baseline; **undercurve** to the midline. **Checkstroke**.

Touch the baseline; **undercurve** to the midline. **Slant** to the baseline; **undercurve** to the midline. **Slant** to the baseline; **undercurve** to the midline. **Checkstroke**.

Touch the baseline; **overcurve** to the midline; **slant** to the baseline; **undercurve** to the midline. **Lift**. **Slant** from the midline to the baseline.

Touch the baseline; **overcurve** to the midline; **slant** to the baseline; **undercurve** to the midline. **Slant** to the descender line; **loop back** to the baseline; **overcurve** to the midline.

Touch the baseline; **overcurve** to the midline; **slant** to the baseline. **Overcurve** and **curve down** to the descender line; **loop** to the baseline; **overcurve** to the midline.

Touch just below the headline; **downcurve** to the baseline; **undercurve** to the headline. **Slant** to the baseline; **undercurve** to the midline.

Touch the midline; **undercurve** to the headline. **Slant** to the baseline. **Retrace** to the headline; **curve forward** to the midline; **loop**; **curve forward** to the baseline **and back**. **Retrace** slightly; **curve right**.

Touch the headline; **slant** slightly. **Downcurve** to the baseline; **undercurve** to the midline.

Touch the headline; **downcurve** to the baseline; **loop** up to the downcurve line; **curve down** to the baseline **and up** to the headline; **loop**; **curve right** to the headline.

Touch the headline; **slant** slightly. **Downcurve** to the midline; **loop**; **downcurve** to the baseline; **undercurve** to the midline.

Touch the headline; **slant** slightly. **Curve forward and right** to the headline. **Lift**. Touch the middle of the curve; **doublecurve** to the baseline; **curve up** to the midline. **Retrace** slightly; **curve right**. **Lift**. Touch the midline; **slide right**.

Touch the baseline; **undercurve** to the headline; **loop** to the midline; **curve forward** to halfway between the headline and midline. **Doublecurve** to the baseline; **curve up** to the midline. **Retrace** slightly; **curve right**.

Touch the headline; **curve forward**; **slant** to the baseline. **Lift**. Move to the right and touch the headline; **curve back**; **slant** to the baseline. **Retrace**; **loop** to the midline; **curve right** to the midline.

Detailed Cursive Stroke Descriptions (continued)

Touch just below the baseline; **overcurve** to the headline; **curve down** to the baseline **and up** to midline. **Retrace** slightly; **curve right**.

Touch just below the baseline; **overcurve** to the headline; **slant** to the descender line; **loop back** to the baseline; **overcurve** to the midline.

Touch the headline; **curve forward**; **slant** to the baseline. **Lift**. Touch the headline; **doublecurve** to the midline. **Curve forward and down** to the baseline; **undercurve** to the midline.

Touch the midline; **undercurve** to the headline; **loop**; **curve down** to the baseline; **loop**; **curve under** below the baseline.

Touch the headline; **curve forward**; **slant** to the baseline. **Overcurve** past the midline; **slant** to the baseline. **Overcurve** past the midline; **slant** to the baseline; **undercurve** to the midline.

Touch the headline; **curve forward**; **slant** to the baseline. **Overcurve** past the midline; **slant** to the baseline; **undercurve** to the midline.

Touch the headline; **downcurve** to the baseline; **undercurve** to the headline; **loop**; **curve right** to the headline.

Touch the midline; **undercurve** to the headline. **Slant** to the baseline. **Retrace** almost to the headline; **curve forward and back** to the slant line.

Touch the baseline; **curve back**; **overcurve** to the headline; **curve down** to the baseline; **retrace**; **curve forward** to the baseline; **curve under** below the baseline.

Touch the midline; **undercurve** to the headline. **Slant** to the baseline. **Retrace** almost to the headline; **curve forward and back** to the slant line. **Curve forward** and down to the baseline; **undercurve** to the midline.

Touch the baseline; **undercurve** to the headline; **loop**; **curve down and up** to the midline. **Retrace** slightly; **curve right**.

Touch the headline; **slant** slightly. **Curve forward and right** to the headline. **Lift**. Touch the middle of the curve; **doublecurve** to the baseline; **curve up** to the midline. **Retrace** slightly; **curve right**.

Touch the headline; **curve forward**; **slant** to the baseline; **undercurve** to the headline. **Slant** to the baseline; **undercurve** to the midline.

Touch the headline; **curve forward**; **slant** to the baseline; **undercurve** to the midline; **overcurve** to the headline.

Touch the headline; **curve forward**; **slant** to the baseline; **undercurve** to the headline. **Slant** to the baseline; **undercurve** to the midline; **overcurve** to the headline.

Touch the headline; **curve forward**; **slant** to the baseline; **undercurve** slightly past the baseline. **Lift**. Move to the right and touch the headline; **slant** to the baseline.

Touch the headline; **curve forward**; **slant** to the baseline; **undercurve** to the headline. **Slant** to the descender line; **loop back** to the baseline; **overcurve** to the midline.

Touch the headline; **curve forward and down**; **slant** to the baseline. **Overcurve** slightly to the baseline; **curve down** to the descender line; **loop** to the baseline; **overcurve** to the midline.
