

Name _____

WHO'S YOUR HERO?

Brainstorm a story about a hero. Code your scene, then write a short story or poem that expands on the character, setting, and challenge.

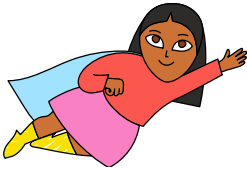

Who is your character? List 2–3 qualities or actions that make them a hero.

What setting are they in? Why are they there?

What challenge is your hero facing? Where are they going? What are they going to do there? What problem do they encounter, and how will they solve it?

YOU'RE MY HERO

**I CODED A DIGITAL HERO TODAY.
IT MADE ME THINK OF YOU!**
