

# CLIMB A WORD LADDER!

**5**

When you've solved all of the clues, use the top word and the bottom word to fill in the mystery sentence at the bottom of the ladder.

**4**

Keep moving up the ladder until you reach the top!

**3**

Move up to the next ladder rung. Use the next clue to make a new word.

**2**

Use the clues to change the first word into a new word that fits in the blanks.

**1**

Start at the bottom. Look at the first word and read the first clue.

**1. To take a turn, \_\_\_\_\_ your hand.**  
Add 1 letter.

**Start Here**

**2. To burn at a very high temperature.**  
Take away the *i* and rearrange the letters.

**3. The player took a \_\_\_\_\_ on the bench.**  
Change 1 letter.

**4. Direction opposite of west.**  
Rearrange the letters.

rise

raise

sear

seat

east

Hmmm ... I think you would raise your hand. If I add one letter, **a**, I can make **raise** from **rise**—it works!

**TIP!**

Each clue gives you hints about

- the new word's meaning.
- how to change the letters in the last word to make a new one.

The sun rises in the east.

**Congratulations! You know how to solve the word ladder!**
