

## Connect & Reflect

Here is a list of common classroom routines. Check the boxes that apply to your classroom for each routine in the list.

### PUTTING ROUTINES INTO ACTION

| Common Classroom Routine                        | I have a routine | I need a routine | Not applicable |
|---|------------------|------------------|----------------|
| Entering the classroom                          |                  |                  |                |
| Gaining the teacher's attention                 |                  |                  |                |
| Going to the restroom                           |                  |                  |                |
| Passing out materials                           |                  |                  |                |
| Sharing materials with peers                    |                  |                  |                |
| Using classroom materials                       |                  |                  |                |
| Completing independent work                     |                  |                  |                |
| Completing group work                           |                  |                  |                |
| Preparing for homework assignments              |                  |                  |                |
| Turning in assignments                          |                  |                  |                |
| Sharpening pencils                              |                  |                  |                |
| Leaving the classroom                           |                  |                  |                |
| Using books from the from the classroom library |                  |                  |                |
| Playing on the playground                       |                  |                  |                |
| Other:  |                  |                  |                |
