

Connect & Reflect

Follow these steps to think through how you'll establish and maintain norms in your classroom.

CREATE A CLASS CONTRACT!

STEP 1: Introduce the idea. Think: How can you make the idea engaging and understandable?

Strategies I'll use to introduce the idea:

STEP 2: Brainstorm. Think: How will you record students' ideas?

Questions I'll ask to encourage students to generate ideas:

STEP 3: Review, consolidate, and elaborate. Think: How can you show the value of restating and revising as you lead the activity?

Tools I'll use to organize and help students refine their thoughts:

STEPS 4 & 5: Formalize and post. Think: How will you let families know about the contract the class created and how can it become a resource to you in your home-school communication?

Ways I'll keep the contract visible and in use to reinforce positive behavior:
