

PURSUIT OF COMMITMENT

Explore Your Own Literate Life

Use these reflection questions as starting points for discussions with your team as you work together to find a common vision for literacy in your school. You may start by organizing staff members into small groups and then share out to the whole group. Be sure to record thoughts and ideas for future reference.

1. What are your favorite books, authors, and/or genres?
2. On a scale of 1 to 10, how would you rate your enthusiasm for reading and writing? Why do you rate yourself this way?
3. What impact has literacy had in your life so far?
