

Important Questions and Concepts to Cover in That First Call (or Meeting)

Focus on learning from your students' families:

- What can you tell me about your child that can help me be a great teacher for your child? What should I know?
- What are your hopes and dreams for your child?
- What's the best way to contact you? What's the best time of day to contact you?
- What is your preferred language to communicate with us at school?
- Here's the best way to contact me...and I encourage you to call/email, etc., whenever you have a question.
- Expect to hear from me throughout the year, and know that I want to hear from you. Always feel free to contact me and share with me questions, concerns, and good news!
