

I love this book because it reminds me of spending time with my grandma. My grandma always had time to do fun stuff and she had lots of patience too like his Mammaw. I think this book is really about how important it is to spend time with people.

I like the way Mr. Laminack said, "She was waving to me. No one else. Just me." He does that at the beginning and the end. Is that a circular ending?

Your friend,

Carol
