First Grade—Amy Harrison

**AMY:** CJ, come on up.

**CJ:** It was Christmas. I got the best present in the world. It was a Nintendo Switch. I got two games. The Nintendo Switch is a game console. You can hold it in your hand or put it on the TV. I got Just Dance 2018, I got 1-2 Switch. On Just Dance 2018, I'm on level 91 of Mojo.

**AMY:** OK. What did you notice, or what are you wondering?

**CJ:** Jonathan.

**JONATHAN:** You have a lot of detail in your pictures.

**AMY:** OK.

**CJ:** Kevin?

**KEVIN:** What else game did you get besides Just Dance?

**CJ:** I got 1-2 Switch. Machiavelli?

**MACHIABELLI:** I noticed you had a lot of writing.

**AMY:** Did you notice—not that you were supposed to count, but did you notice how many pages he had?

**STUDENTS:** Five.

**AMY:** He actually had five. So we picked a four-page book, and when we were conferencing today, we decided to put another page in. We decided to put another page in that explained what—

**CJ:** What the Nintendo Switch was.

**AMY:** Yeah. Because I didn't really know what that was, and maybe other kids might not know. So you added that part in.

Do you—does CJ have a lot of writing in the middle?

**STUDENT:** Yes.

**AMY:** He does. He has enough writing in the middle to even have a five—a book with five pages.

OK. Are you all finished with that one? OK, that one can go in your file.

**TI'SHAWN:** It was my mom's birthday. I gave her \$44 'cause I had \$105.

**AMY:** Can we see your picture? And then read the speech bubble.

**TI'SHAWN:** "Wake up!"

We went to Toys R Us. I got a drone. It flew away. I got Monopoly. We played it two times.

**AMY:** Can we see your picture?

**TI'SHAWN:** My mom's cake was a carrot cake. I love carrot cake. I love my mom's birthday.

**AMY:** What do you notice or wonder?

**STUDENT [offscreen]:** I wondered what game you got. Which Monopoly did you get?

**TI'SHAWN:** Mini-in [sic] Monopoly.

**STUDENT:** How many games did you win?

**TI'SHAWN:** One.

**AMY:** OK. Did anybody notice—one more thing. Did anybody notice a technique that TI'SHAWN used? I actually noticed two. Did anybody notice anything? Can you pick someone to talk about that? Let me see if you can talk about the two things he did.

**STUDENT:** Split-screen.

**AMY:** Split-screen. Let's look at that. OK. And there was one more thing he did. Julian, do you know the other thing he did? What?

**JULIAN:** Speech bubble.

**AMY:** Yes! He put a speech bubble on the front. And he even put exclamation point here. So, really, it should say, "Wake up!" Right? Can you try that?

**TI'SHAWN:** Yeah. "Wake up."

**AMY:** OK, good job. That can go in your file.
