

# READING STRATEGY TEST

**Directions:** Answer the prompts and questions below using your independent reading book or a text the teacher gives you.

Strategy: \_\_\_\_\_

Title and Author: \_\_\_\_\_

1. Explain how this strategy can improve your recall and understanding.
2. Apply the strategy to a section of your text; note the page you used. First plan your think-aloud in your head, then write your think-aloud below.
3. What kinds of reading materials do you apply this strategy to?
