

Commitment to Action Questions

- What are school or school district priorities?
- What are the school district or school initiatives?
- What is the standards-based curriculum priority?
- What student population is the greatest priority?
(e.g., English Learners, Special Education Students, General Education Students, Grade Level)
- How will success be measured?
(e.g., accountability assessment progress monitoring, formative assessment, surveys, student evidence)
- How much of the coach's or mentor's time will be dedicated to working on the priority commitments to action?
