You are a local artist! You love making beautiful things that brighten other people's days. The mayor has just called to ask if you'll make posters for Kindness Day, which is coming up soon. The posters will be placed all around the town to inspire acts of kindness. You love this idea! You get to create amazingly beautiful art and spread kindness, using spectacular colors and well-chosen words. You can't wait to get started, because you know your posters will show just the right evidence to convince others to be kind.
