**R.A.F.T.S. PROMPT**

*You are a person, such as a mom, dad, or grandparent, who takes care of a child. You've just read *Penguin Day* and can't believe all the things a penguin mom does during the day. But then you start thinking about all the things YOU do during the day! You've decided to illustrate and caption a few things from your day so people will know just what your day requires. Pick three things from your day to illustrate and caption. Like Mama penguin, you do a lot!*
