**R.A.F.T.S. PROMPT**

You are one of the animals—Bear, Squirrel, or Raccoon. You felt so sad when the family decided to leave, even though you had planned such a splendid surprise party for them. You decide to try to save the day by making a quick announcement through the FSS (Forest Speaker System), convincing the family that your and your friends' intentions were good and that they should stay. Be sure to state your opinion clearly and give at least one reason why you feel that way. Then you'll be ready for the loudspeaker!
