**R.A.F.T.S. PROMPT**

You are—YOU. You’ve just read author Dean Robbins’s book about Alan Bean. Your school is going to be having an open house so that students and families can find out more about the second graders. You will be making a timeline stating three important events from your life. Be sure to think of your favorites. Who knows? Maybe this will lead you to write your autobiography someday!

Example:

- *September 17, 2014—I was born.*
- *Age 3—My sister was born.*
- *Age 5—I lost my first tooth.*

Role: Yourself, a second grader

Audience: School students and families

Format: Timeline

Topic: Important events from your life

Strong Verb: *state*
