**R.A.F.T.S. PROMPT**

You are _____ (a profession from the Go-Along Page 3 list), and you are so good at what you do that the Space Administration has asked you to choose two other people from different occupations to explore a new, inhabited planet and to share your knowledge with the beings that live there. Choose two companions to invite, and explain the logic and reasons behind why you selected them for this special mission. Be sure that your arguments are logical, and present your reasoning in a way your readers will not only understand—but also be excited about!

Role: One of the professions from the Go-Along Page 3 list

Audience: Two other professionals from the list

Format: Invitation

Topic: Why they were chosen to accompany you

Strong Verb: *explain* (the logic)
