MODES in FOCUS

Setting Swap

Musical Mac has a setting that works with the plot line of the story. What if elements of the story changed, such as the time and/or place? Make notes below about how setting details would need to change to match the mood of the story if:

1. Mac decides not to play music anymore but to take up soccer instead.

_____

_____

_____

2. A large raptor flies over and tries to eat Mac.

_____

_____

_____

3. Mac sets up a technology class on keyboarding skills for other millipedes.
