Fearless Females

Brainstorm a list of jobs and professions for which women are making a difference with their courageous and heroic work. Think of categories that may not always have had a female presence in the workplace. For example:

- CEO
- IT technician or software developer
- Scientist
- Lawyer
- _____
- _____
- _____
- _____

Fearless Females

Work with a partner and come up with three examples of people you know and admire who fit one or more of these categories. List them and the reasons each person was selected.

Example:

Person 1: My grandmother Camilla

Reason: She was a firefighter who rose through the ranks and became the first female fire chief of our county. She also raised five children and a whole bunch of chickens.

Person 2:

Reason:

Person 3:
