Convincing the Chickens

Is the sky falling? Or not? Come up with 5 plausible (true or untrue) facts that might convince the nervous chickens that the sky is NOT falling. For example: If the sky was **REALLY** falling, then there would be pieces of it on the ground.

1. _____

2. _____

3. _____

4. _____

5. _____

6. Add one "fact" the chickens might offer that would be evidence the sky really WAS falling.
