

Go-Along Page 2

Henley's Dilemma

Notice where in the book Henley explains why reading is hard for him. Then offer advice about what to do about the issues he raises that will help him be a more confident reader.

Why Reading Is Hard	How To Approach the Problem
Words are too big.	Specific content vocabulary by subject is important to grow understanding of fascinating new subject matter. Learning new words is fun.
Sentences are too long.	
There are too many pages.	
Too many books are boring.	
He'd rather be playing football.
