**R.A.F.T.S. PROMPT**

You are one of the characters (of your choice) from The Three Little Superpigs: Once Upon a Time. You believe that there are many more interesting things about you than just what was revealed in the original or updated tales. In a character sketch about yourself, tell the story of your life, how you became who you are, and what you intend to do with your life in the future, so that the reader understands more about you and why your role in this story is important. Pay special attention to your use of colorful and interesting words to bring your character to life. If you'd like, you can choose to create an all-new super character and infuse him/her into the story in a main or supporting role.
