**R.A.F.T.S. PROMPT**

You are the human tongue, and you want Sandra Markle to redo your pages to have the same features as the pages that are about animal tongues. To help her understand what you mean, design a page for Ms. Markle about you, complete with pictures, facts, and details. Format your page to match the animal tongue pages: a paragraph of information, a fact, and a personal connection beginning with "If you didn't have a human tongue, you'd never ____."
