**R.A.F.T.S. PROMPT**

You are a writer at Back Lot movie studio, which just produced the highly anticipated and soon-to-be blockbuster Manjhi Moves a Mountain (based on the book by the same name). Your job is to create promotional material that will be released to entertainment and news sources in order to convince potential moviegoers that this is a movie not to be missed. Use facts and evidence as much as possible and use details to make your opinion credible.

Role: Writer at Back Lot movie studio
