You are a living, breathing Titanosaur in the desert of Argentina. You have just finished previewing a documentary movie of the life of a Titanosaur created by Hollywood filmmakers. In an email to the producers, let them know you have some complaints. The film got some things wrong and also left out your favorite facts and details. Provide changes to the inaccurate information and suggest additions to the film that you know moviegoers would love to know about you.

Role: Titanosaur

Audience: Hollywood film producers

Format: Email

Topic: Why they got the movie all wrong

Strong Verb: provide
