*You are the senior publicist at the MEF Museum (Egidio Feruglio Paleontological Museum) in Patagonia, Argentina. Dr. José Luis Carballido and Dr. Diego Pol have recently returned with the dinosaur remains from their archeological dig. The world has been clamoring for details of the dig and what was discovered, ever since word of its importance leaked out. In a press release, provide the most important details of what happened and why it is significant. (Use Go-Along Page 3 for help with details if you wish.)*
