**R.A.F.T.S. PROMPT**

You are Puppy, a famous singer who just happens to live next door to Bunny. Bunny's Mama was away on a business trip, and Bunny spent time with his Papa. You missed playing with Bunny so much that you decided to write him a song about your favorite memory of something you did together. Your song is sung to the tune of "Row, Row, Row Your Boat" with some new words. Write the words out, so you can sing the song to Bunny when you see him. Be sure to include some of the inside things about yourself and how this memory makes you feel.
