You are the owner of the best restaurant in town! Tomorrow, you're only going to put one item on the menu, and it's your very favorite meal! But if this is going to happen, then you need to create a special menu for it so your customers will know what makes it special and why they should eat in your restaurant tomorrow. Draw a picture of your favorite meal and be sure to give it a delicious name. If your special menu looks and sounds fabulous, then everyone will want to eat at your restaurant!
