

Did You Know?

Match the plant facts with their detail.

Fact	Detail
We eat many parts of plants.	These seeds make flour for things like bread.
Blueberries are a fruit.	We can eat the leaves, roots, fruits, seeds, or stems.
We eat seeds from wheat plants.	They have seeds and grow on bushes.

Draw your favorite vegetable, fruit, or seed to eat. Then add a detail to your picture to show something you learned.

I like to eat _____
