R.A.F.T.S. for Write-On Page 3

**R.A.F.T.S. PROMPT**

You are a blueberry or a carrot! You've come a long way since being planted and have gone through many steps to become the food you are today. It's finally time to be picked. You've just been told that you'll be featured on the cover of the new "Flavorful Foods" brochure! This is your chance to really spotlight your standing as a healthy and delicious plant choice, and you're honored.

All covers need a picture! Draw a picture of yourself as a plant, so that everyone knows where you came from and what you look like. Label it with your name. Then add one more piece of information to your brochure cover: what you are (fruit or vegetable), or something that helped you grow. This is your chance to present your ideas with clarity and focus to help the world learn more about you.

Role: A blueberry or a carrot (choose one)

Audience: The world

Format: Brochure cover

Topic: Learning about blueberries or carrots

Strong Verb: *label*
